TIPPY TOES RUTHERFORD - COSTUME ITEMS LISTING 2019

Make Up & Hair

- PLEASE NOTE THAT FOR TIPPY TOES AND JUNIORS, MAKEUP NEED ONLY TO BE QUITE LIGHT. Lighting is VERY strong on stage and a small amount of makeup will save them from looking washed out on stage.
- Foundation (only light for younger children, suggest BB Cream or mineral foundation - it is gentler to skin)
- TIPPY TOES/JUNIORS: Light grey/blue colour on lower lid, cream/white on upper eye – this opens up the eyes (please do NOT use browns as it makes them look closed over)
- Mascara (if desired)
- Pink/red Rouge/Blush – If you don't have this colour there is no need to go and buy one - I tend to use a little of the lipstick dabbed onto the cheeks and then rubbed in to give a pink glow
- Red lipstick – lighter shades for younger kids (this gives them a standout smile! No neutral colours, they have a wash out effect on stage)

Any additional items listed below, including shoes and stockings, are NOT provided as part of the costuming.
